

INTERDEPARTMENTAL MASTERS IN BUSINESS AND ECONOMICS

262-472-1945
gradbus@uww.edu

Overview

Several interdepartmental programs are available, including an MS and certificate in Data Analytics as well as specialty certificates in Business Foundations, Human Resource Management and Project Management.

The Business Foundations Graduate Certificate is designed to provide a foundation of business knowledge in a breadth of areas. The certificate can serve as:

1. A standalone program to help broaden an understanding of business.
2. Initial preparation for pursuing an MBA or other graduate business degree.
