Overview

The Master of Science in Education (MSE) Degree in School Business Management provides students an opportunity to pursue a course of study which will qualify them for licensure as a School Business Manager.

Job titles of those graduating with this degree include: Director of Finance, School Business Manager, Comptroller, Accountant, Director of Administrative Services, Director of Information Systems, Human Resource Manager, Director of Buildings and Grounds, Benefits Manager, and Financial Consultant.

Positions are available in vocational schools, public and private school districts, public and private universities, county agencies, Cooperative Education Service Agencies (CESA), cities and villages, municipalities, and the Department of Public Instruction.

The curriculum is designed to provide students with an understanding of the organization of elementary and secondary schools and the expertise needed to manage their resources. Applied learning opportunities prepare students with the skills necessary to assume responsibilities in the areas of school finance and accounting, computer technology, property management, state reporting and other statutory requirements, policy interpretation, budget preparation and administration, cash management, personnel management, purchasing, risk management, collective bargaining, and strategic planning.
