

EDUCATOR IN SCHOOL COUNSELING CERTIFICATE REQUIREMENTS

The UW-Whitewater School Counseling Certificate program is an innovative program designed for individuals who have completed a master's degree and who are seeking School Counseling licensure in Wisconsin. Requirements for admissions include graduate GPA of 3.00; and experience working in a school or related field which will be evaluated during the admission process. The program leads to School Counseling (7054) license using the Wisconsin Department of Public Instruction Wisconsin Content Guidelines. The courses for this certificate are offered in a blended format.
