PEPROF 270	MOTOR BEHAVIOR	
PEPROF 302	BIOMECHANICS OF SPORT AND EXERCISE	
PHYSICS 141	PRINCIPLES OF PHYSICS II	
Total Units		37

¹ This certificate does not encompass all possible prerequisite courses for admission to athletic training graduate programs. Students are encouraged to proactively identify required prerequisite courses for admission to the schools where they intend to apply. Additionally, some athletic training programs require a standardized admission test such as the GRE.

² Completion of this certificate does not guarantee admission to athletic training graduate programs. Each program makes its own admission decisions based upon its requirements.
