or CHE 203	SURVEY OF BIOCHEMISTRY	
CHE 155	GENERAL CHEMISTRY II	5
PHY 141	COLLEGE PHYSICS I	4
Total Units		17

¹ The Food Science emphasis provides the majority of the first two years of a four-year curriculum for students who wish to transfer to a four-year institution to earn a bachelor's degree in a food science and technology discipline. In addition to the emphasis requirements, additional unique requirements serve as prerequisites for a future food science major and overlap with AA requirements.
