

MEDICAL SCIENCES (BS)

In partnership with Mercyhealth of Janesville, this degree pathway allows students to complete the associate of arts and sciences in pre-health from the College of Integrated Studies and then receive their bachelor's degree in medical science with an emphasis in either radiography or sonography.

Majors in Medical Sciences

- Medical Sciences- Diagnostic Sonography Emphasis (BS) (<http://www-public.courseleaf.com/undergraduate/integrated-studies/medical-sciences-diagnostic-sonography-emphasis/>)
